

ANNUAL A. C. A. RUN TO BE CUT TO SIX MILES

Burton Hooper of Outrigger Club Plans To Enter, Says Secretary of the A. A. U.

The All-Around Chinese Athletic Club has announced that it plans to stage its annual modified marathon race as part of the activities of the fleet athletic week early in June.

In the past the race has been a distance of about 10 miles but it has been decided this year to cut it down to six miles. The national A. A. U. short marathon now is six miles and hence the cut of the local event by the A. C. A. from 10 to six miles.

Victor Ligda, secretary of the Hawaiian A. A. U. and trainer of Burton Hooper of the Outrigger Canoe Club, has announced that the winner of the mile event at the recent A. A. U. track and field meet will enter the A. C. A. event early in June.

N. ("Nurmi") Sanders, who won the two mile event at the A. A. U. meet for the Outrigger Canoe Club, will not be entered in the coming marathon as he leaves for the mainland on May 2.

It may be true the Washingtons have lost a lot of prestige in the spring games with the Giants, but the important thing is, those world series checks are still good at any bank.

fleet has not been outlined definitely yet and there is some question as to whether a track meet will be held. However, Lieut. Tulley Shelley, fleet athletic officer with the U. S. S. Seattle, said yesterday that the activities would start May 30 and continue for a week during which the finals would be held in boxing, wrestling, swimming, crew races and for the officers, golf and tennis.
