

WATCH HOOPER GO

THERE is every reason to believe that Harry Hooper of the Out-rigger club, who holds a mark of 4:29 2-5 for the mile, and who has turned in a record of 9:52 for the two mile, will show a clean pair of heels to the field when he competes in the national track and field championships to be held in San Francisco, at Kezar Memorial Stadium, July 3, 4 and 5.

If Paavo Nurmi could have been induced to visit Honolulu and to have shown his stuff here, our Mr. Hooper would have been selected to give the Phantom Finn an argument. Hooper this spring is running better than at any time in his career.

No mistake has been made in selecting Hooper to represent Honolulu in the coming A. A. U. championships.
