

The above young track artist is none other than Burton Hooper, Outrigger star, who has been selected to go to the National A.A.U. track and field meet next month, and who will defend his title as Hawaiian distance champion today in the six-mile city run sponsored by the All-Around Chinese Athletes. Hooper is in great shape for this and the July meet and is the heavy favorite in the event today. His times for the mile have been consistently below the 4.45 mark.
