

SWIMMERS WORKOUT

"DAD" CENTER is working his Outrigger club swimmers at the Punahou tank twice weekly now. Last night the 1920 American Olympic boss had a large turnout of stars and aspirants to stardom and put them through their paces.

Center is all for the idea of staging a comeback in Hawaiian swimming and is starting a drive to develop more stars for the Outrigger club.

Harvey Chilton is working his Hui Makani swimmers with the same end in mind and with Judge William T. Rawlins at the head of the local A. A. U., things should be in a better condition when the New Year rolls around.
