

Trial Heats Tonight For Two Of The Events; Local Interest Grows

Breast Stroke and Boys' Diving Contestants to Do Their Stuff; Medals on Display; Final Arrangements Made

FINAL meeting of the Swimming Committee of the local A. A. U. and delegates from the Women's Auxiliary of the Outrigger club last night resulted in completing all details and arrangements for the three-day meet, to be held in Punahou tank starting tomorrow night. All is in readiness for the big events, which will include several island championships and also the appearance of three Coast stars, who come with nation-wide reputations to vie with the best swimmers on the island.

Trial heats for two events will be held at Punahou tonight in the 220 yards, men's breaststroke, for the Hawaiian championship with six entries, and the diving event for boys under 18, ten entries.

The breaststroke Hawaiian record is 3:04 2-5, established by Sam Kahanamoku last year. The American record for this event is 2:58 3-5 made by Skelton in 1923.

TO START AT 7:45

Officials are requested to report at 7:30 o'clock in order that the events may start promptly at 7:45 o'clock. It is expected that the regular program will be concluded about 9:15 o'clock and that three o'clock. It is expected that the quarters of an hour will be devoted to the water polo matches.
