

# WEHSELAU ENTITLED TO TRIP

---

Only Local Swimmer Re-  
commended to  
A. A. U.

---

**M**ARIECHEN WEHSELAU, Honolulu's champion woman swimmer, has been recommended to the National A. A. U. committee as the only representative from the Hawaiian Islands qualified to compete in the Women's National swimming championships scheduled for St. Augustine, Florida, February 9 to 12 in a letter by Mrs. E. Fullard Leo, the local representative of the national body.

"I wrote that Miss Wehselau during the past year in competition had negotiated the 220 in 2:46 and the 100 yards in 1:05 and that she was not only keeping in good condition, but would make it interesting for any mainland woman swimmer," said Mrs. Leo last night, adding: "I hope that a way can be found for Mariechen to go. She is deserving of the trip, for she is one swimmer who takes an interest in her work and will reflect credit on Honolulu in the national championships. Mariechen showed conclusively what she could do when she defeated Miss Eleanor Garatti of San Francisco in three events here last fall."
