It was learned that the application of Marshall Hjelte for amateur standing was tabled at the annual convention of the A. A. U. recently. The reason given was that no action could be taken until a period of five years have elapsed from the time of the application. So Marshall Hjelte is still a professional in the eyes of the A. A. U.

The new rule states that a period of three years should elapse before action could be taken to reinstate an athlete. Whether Hjelte filed in his application that long is not yet known.

Those who were present at the meeting of the local A. A. U. last evening at the Central "Y" were: William Meinecke, vice president and chairman; B. H. Robbins and Crumley, Central "Y"; Gay Harris, Outrigger Canoe Club; Lionel Brash and McGregor, Palama Settlement; Sam Fuller, Hawaiian National Guard; Bell, University of Hawaii; Mrs. Fullard-Leo, Women's Auxiliary Club; Victor Ligda, McKinley and recording secretary; Loui Leong Hop, A.
