WORTH IN SPORT KNOWING

In 1925 the University of Pennsylvania placed three men on the all-Missouri valley conference quintet. Petersen and Ackerman, forwards, and Wilkins, guard, were the trio selected. Nebraska got the other two places.

Kansas has an exceptional team. It won 15 of its conference matches, losing only one. It scored 453 points to 326 for the foe. Kansas Aggies were the only ones to defeat the Jayhawks. They whipped them, 40-28. In a return tilt Kansas easily won, 27-17.

Ackerman, captain of the Kansans, led in individual scoring with 166 points. In 16 games he tossed 59 field goals and 48 fouls. Petersen also did well in getting points
