HOW ABOUT SENDING OUR SWIMMERS TO SESQUI?

I S HAWAII to be represented at the National swimming championships in Philadelphia or not?

We have two men here who can win and place among the best on the mainland. They are Warren Kealoha and Johnny Woodd.

It will cost about \$1050 to defray all expenses of these swimmers. They do not need a chaperone, trainer or nurse. They can go together, with Kealoha in charge. He has crossed the United States twice and is old enough to take care of himself, also to keep an eye on Woodd.

If it is for our swimmers to get experience, that's different, then send a half a dozen, but as an advertisement, to make the world see that we are still on the swimming map, you want athletes who will win or place and not be "also rans."

MAKING OURSELVES LOOK RIDICULOUS

THE ADVERTISER felt that Mariechen Wehselau should be entered in the women's indoor championships in Florida last winter. The public was asked to contribute to a common fund, and the money was raised in three days.

Two weeks ago two other local newspapers sponsored a meet, bringing here Japanese swimmers and cleared \$500. The Outrigger Canoe club obtained the sanction for the meet and also backed the venture.

Dad Center wants to send a team of swimmers to the Sesqui-centennial for the experience. The scheme is O.K., but where's the money to come from?

Of all the silly things to do, the idea of cabling Miles Carey, who is in Philadelphia, to request him to ask for \$4000 to defray the expenses of a Hawaiian swimming team to the Sesqui, is the silliest, and makes us look like a bunch of hicks entirely ignorant of the system employed, also full up to the neck with egotism.

THE holiday game on the schedule

THERE is no swimming committee of the Sesqui Centennial body. The management several months ago placed in the hands of the A. A. U. a stipulated sum for the right to hold the outdoor championships there. This money to insure the competition of the best in the country, and since the matter has been placed in the hands of the A. A. U. that body decided to bring to Philadelphia all the title holders and to pay full expenses, distri-
