

IF WOODD, KEALOHA GO TO SESQUI, DECISION MUST BE MADE TODAY

By WILLIAM PEET
Sports Editor, The Advertiser.

IF HAWAII is to send two or more swimmers to the National outdoor championships at Philadelphia starting July 28, decision must be made today. The latest possible starting time is tomorrow, on the President Cleveland.

An appeal was made to THE ADVERTISER yesterday to contribute \$300 to a fund that would be necessary to send Warren Kealoha and Johnny Woodd to the championships—Kealoha a certain winner and Woodd a possible contender in

the back stroke and sprint events.

THE ADVERTISER agreed to raise this amount providing the \$550 balance remaining from the recent Hawaii-Japanese meet was tossed into the fund. The National A. A. U. has promised \$300.

Judge Rawlins of the Hawaiian A. A. U. has not been consulted in any movement to send Kealoha and Woodd to Philadelphia. Woodd is a member of the Y. M. C. A. and Kealoha of the Hui Makani, and these clubs should be foremost in seeking ways and means of

entering their star swimmers.

It seems a pity that such an opportunity to advertise Hawaii should be overlooked. Part of the money is already available and the rest could be raised if somebody had the interests of Hawaiian swimming at heart and was willing to take the initiative.

The Star-Bulletin, Nippu Jiji and Outrigger club, sponsors of the recent Japanese Hawaii meet, cleared \$550, and Dad Center of the Outrigger club would like to have this amount used to send our swimmers to Philadelphia. In a statement to

THE ADVERTISER yesterday, Center said that the disposition of this money was in the hands of the two newspapers named.

The ADVERTISER believes that Kealoha and Woodd should go to Philadelphia and is perfectly willing to help, but it does not presume to dictate to Dad Center, Judge Rawlins or the two newspapers who sponsored the Japanese meet and cleared \$550.

If they will go along, we will gladly do our share.

The thing to do is to act, and ACT TODAY.

Let's send the boys over. That's the main thing.
