

# MEET TODAY TO DISCUSS PLANS FOR BIG EVENT

## Hope To Stage Dance At One of Piers On the Eve- ning of July 24

Plans to finance various swimming enterprises now being considered in Hawaii will be discussed at a meeting to be held at 3:30 o'clock this afternoon in the editorial office at The Star-Bulletin.

The principal item of business to be taken up will be the possibility of staging a big community dance on one of the government piers the evening of Saturday, July 24, for the purpose of raising money to help defray expenses for the swimmers Hawaii has sent to the national championship meet in Philadelphia.

The meeting has been called by J. R. Farrington, chairman of the committee in charge of finances for the Philadelphia trip. Other members of this committee at present are George ("Dad") Center and Ezra Crane. Chairman Farrington will ask that the names of Cecil Benny and S. Furukawa be added to the committee list.

If plans for the community dance are approved by the committee appointments will be announced today of persons who will have charge of various angles of the affair. It is planned to name the following chairmen of sub-committees: S. Furukawa, decorations; Cecil Benny, tickets and finances; W. T. Rawlins, music; Ezra Crane, stunts. Other committees which may be needed to handle the dance will also be named.

In addition to financing the Philadelphia trip the committee will discuss finances of the proposed trip to Japan. Word has been received that a team of swimmers will be invited from Hawaii by Japanese officials. The Japanese association will meet tonight to discuss plans for the meet which it is planned to hold in Tokio on September 10.

Those who will attend the meeting this afternoon are J. R. Farrington, representing the Outrigger Canoe Club; R. H. Allen, Star-Bulletin; Judge William T. Rawlins, president of the Hawaiian association of the A. A. U.; Cecil Benney; S. Furukawa and Eddie Yamachika of the Nippu Jiji; Don Watson, Star-Bulletin; Scott Brainard, Central Y. M. C. A.
