

Ulunui Swim Meet, Offers All a Chance

Grammar School Relay Event is an Added Attraction

The Ulunui swimming meet, slated for the nights of October 15 and 16 under the auspices of the Ulunui Women's Swimming club, offers the most varied program ever staged at a local swimming meet. It caters to every class as well as to the different organizations.

There will be some classy events for our champions, starting with Johnny Woodd and Sam Kahanamoku and probably some new aspirants will furnish a thrill in the 100 and the 440.

The open breast stroke and back and medley are handicaps that will give the champions plenty to think about. The newcomers will have a fair start and the finish will be very exciting.

While only two events have been included for service men, it is felt that these swimmers will be able to take care of themselves in the open events and they are expected to travel in championship company.

The coaches have particularly requested events for boys under 15 but since it is only a two night meet and the 100 yard boys free style is not sufficient, a 220 yard club relay will be opened to the juvenile swimmers.

This is expected to bring out teams from clubs that in the past have been shy of record holders. Palama, Nuuanu Y, Central Y, McKinley, Hui Makani and the Outrigger will all undoubtedly be in this affair.

Another new venture will be the Grammar school relay for the handsome perpetual trophy donated by the directors of the Ulunui.

The many other events will draw a large crowd, the promoters of the meet stated yesterday. At is it only a two night affair, the natatorial contests will be fast all through.
