

Center Plans Aquatic Meet For 3 Clubs On May 7th

Dad Center, president of the Hawaiian A. A. U., announced yesterday that plans had been completed for a triangular swimming meet in Punahou tank on the night of May 7 between swimmers representing the Outrigger club, Punahou school and the Army and Navy.

"I look for some good competition in this meet," declared Center, "and this three-cornered competition is to keep up interest in the sport, to keep the boys keyed up and working for the national championship this summer."
