

# Outrigger Canoe Club to Observe 20th Anniversary

---

The Outrigger Canoe club will celebrate its 20th anniversary Saturday, April 28, with a water sports program to be followed by a supper and dance.

The club which started with a grass hut, a few surfboards and canoes and a handful of boys has grown to a membership of 1000 men and women, a large fleet of canoes and elaborate facilities for bathing.

The anniversary plans are in charge of A. F. Bauman of the Bank of Hawaii, assisted by W. N. Raymond, both directors of the club. Tickets will be sold through Walter F. Beall of the Schuman Carriage Co. Louis F. Stephens is chairman of the program committee and Paul Leebrick of the order committee. The dance will be in charge of Elmer Evans; Allen McGuire will arrange for the entertainment. George "Dad" Center will direct the water sports from 2 to 4 p.m.

Surfboard races, swimming exhibitions and canoe races will take place from 4 to 6:30. There will be canoe races between boys under 15 vs. girls over 15; boys under 16 vs. over 16; charter members vs. newest members; boys under 15 vs. board of directors. There will also be a horseshoe pitching contest and volleyball tournament, the latter arranged by E. T. Chase. A light supper, followed by a dance will close the program. The bathhouses will be opened for moonlight swimming.
