"S "PUD" HARRISON'S University track squad walked off with trial honors for the A.A.U. meet held yesterday at Alexander field, placing 22 men for the finals which will be held Saturday. Palama qualified 22 men, while the Outrigger and Schofield teams scored 15 and 11, respectively. Bell, unattached, was the lone entry placing for the unattached athletes.

STARS OUT

Buster McGuire, crack local star, did not enter a single event yesterday. The fleet Punahou star has retired from track for the season. McGuire has had a strenuous year and has been training for three full months. It was decided by coaches at the Buff and Blue camp that McGuire was under too much of a strain, consequently the star was withdrawn from the competition. However, McGuire may run in the half-mile relay for the Outrigger club Saturday.

In addition to McGuire, Wakatake, sterling Dean flier, will in all probability be out of competition Saturday. Wakatake pulled a tendon at the 100-yard trials. He came back in the 440 and placed for the finals, but seemed to be running under a severe strain. Ome, diminutive Mick star, was eliminated in the 100-yard dash, shoving another star performer out of competition.

"JINKY" HURT AGAIN

"Jinky" Crozier, sterling Outrigger ace, tried to come back today after having torn a tendon some weeks ago, and strained the same tendon again today, to put him out of commission altogether for the season. Crozier felt quite well when he went to his marks but when the old leg was put under a strain it just wouldn't come through.

WINS HAMMER THROW

The finals for the hammer throw were held yesterday and De Mello of Palama captured first honors with a heave of 106 feet 10 inches. Schofield
