### Janice Lovett Will Be Contestant; New Marks Expected Each Evening

#### Fast Competition Seen; Best Distance Men Pitted Against Crabbe in the 1500 Meter Event

Hawaii's swimming coaches are sending all of their best men into the 1500 meter swim Thursday night when the Hawaiian championships swims and Olympic trials are opened at the War Memorial natatorium. The meet will be held Thursday, Friday and Saturday evenings.

Clarence ("Buster") Crabbe, national one-mile champion, will find plenty of competition in this race as it is evident that the coaches plan to send some of their men out to pace the Outrigger star.

Such performers as Bill Newport, Warren Kealoha, Benton Wood, "Bud" Crabbe and M. Kalili, all of whom have shown real class in distance events in The Star-Bulletin's annual canal swims, will be pitted against "Buster" Crabbe. With such a fast field it is believed that a new world's record will be established.

The entry list, announced by Gay Harris, shows the same sort of competition in every race. All of Hawaii's best swimmers are entering the meet and will appear in their favorite events.

A real battle is expected in the 100 and 200 meter swims, with Johnny Woodd, the Crabbe brothers, H. Sharp, Warren Kealoha and other fast mermen entered. The scrap in the 100 meters is expected to be between "Bud" Crabbe and Johnny Woodd.

The rivalry between these two swimmers is very keen. To date Woodd has held the upper hand, but he has always been closely pressed by Crabbe. The latter has been working very hard and his coach, "Dad" Center, predicts that "Bud" will turn the tables on Woodd this time.

The 1500 meter swim is the first event the opening night of the meet. From the opening until the final event is staged Saturday night there will be one feature race after another.

Even in the women's events, where competition is sometimes not as keen as in the men's open races, some fast times are expected. In addition to Mariechen Wehseleu and Lily Bowmer May there will be such swimmers as V. Hammond, B. Hammond, Jennie Woodd, Frances Bickerton, Beatrice Newport, Janice Lovett and M. Slaght.

The appearance of Janice Lovett will be in the nature of a comeback, this being her first appearance in competition in months. With Miss Lovett entered in the 400 meters freestyle for women fast time is predicted for the winner of this race.

Miss Lovett is a powerful swimmer, especially in the middle distance swims. Miss Wehseleu has also been going strong in these events and it appears that the fight for first place will be very keen.
