

OUTRIGGER CLUB HONORS A. H. FORD

Between 500 and 600 Par- ticipate In Anniversary Party

Notwithstanding a drenching rain, between 500 and 600 members of the Outrigger Canoe club gathered on the club grounds at Waikiki Saturday afternoon to celebrate the twentieth anniversary of the club.

During the evening program A. H. Ford was presented with a watch by members of the club in honor of his services as founder. J. R. Farrington, present, made the presentation and introduced two of the original members of the club, C. S. Crane and Chris Jenkins, who have been members for 20 years.

About 300 members were taken surfing during the afternoon. Tom Kiakona won the boys' surfboard paddling race and Mariechen Wehselau won a similar race for the girls. The girls' crew defeated the directors in the canoe race.

Following dinner the Hawaiian band played. The remainder of the evening was spent in dancing.

Considerable change in the program was necessitated by the weather, but this did not interfere with the horseshoe pitching contest which was won by C. A. Gregory. A Richey was second.
