

# BUSTER CRABBE FOURTH SWIMMER ON RELAY TEAM

## Outrigger Club Star Will Swim In Three Events At Olympic Games

Clarence ("Buster") Crabbe, Outrigger Canoe club member who won three national championships on the mainland recently, will represent the United States in three swimming events at the Olympic games.

This was revealed yesterday afternoon when word was received from the mainland that Buster will be a member of the American 800 meter relay team as well as swimming in the 400 and 1500 meter races.

This information came as quite a surprise, as it places Buster on the list as one of the four best 200 meter swimmers in the United States. Crabbe is a distance swimmer and it was not expected that he could kick up enough speed to land a berth on the relay team. Other members of the team are Johnny Weissmuller, George Kojac and Walter Laufer. Samson of the Illinois A. C., and Harry Glancy were selected as alternates on the team, being selected after trial swims were held.
