

# OUTRIGGER WINS WATER POLO GAME

---

## Downs Diomedede Team In 9 to 3 Contest at Army-Navy "Y"

---

The Outrigger Canoe Club Water Polo team had no difficulty defeating the team from the British ship Diomedede last evening at the Army-Navy Y.M.C.A. pool. Our British friends put up a stubborn fight and never let up until the whistle blew ending the game but at no time were they in the lead. The local boys won 9 to 3. At half time the score was 3 to 2 in favor of the Canoe Club. They had things just about their own way during the second half and only gave the visitors one score. Despite the one sided score it was a very interesting game to watch and furnished thrill after thrill for the good sized crowd that braved the moisture to witness it.

The lineups are as follows: H.M.S. Diomedede—Gall, Kemp, Wright, Walker, Tulley, Williams, Handford.

Outrigger Canoe Club—Harris, Mackinney, E. Crabbe, D. Center, Waters, C. Crabbe and Wheeler.

Mr. Merryfield, the physical trainer of the Diomedede officiated and handled the game in fine style.
