

HUI NALU WINS TITLE AT POLO

Fast Team Clinches Surf Board Championship By Beating Queen's Surfers

Hui Nalu clinched the surfboard polo title Sunday when its junior team defeated the Queen's Surfers by the close score of 1 to 0. By this victory the Hui Nalu for the second successive year won the cup offered by Arthur Benaglia, manager of the Territorial Hotels Co.

The game was fast and close, although the Hui Nalu junior team showed little of the flash and clean passing that has characterized the playing of the senior team.

The senior team has twice defeated the Outrigger club, and the victory of the junior team establishes a record of no defeats for Hui Nalu.
