

Three teams only are unbeaten at the end of the second week of play in Manager A. A. Kempa's Senior A. A. U. Volleyball league, and either Palama or Kakaako Sons will have their record blemished this Friday night. Upset by Palama last week, the firemen have a good chance to "knock off" the Central "Yers" this Friday evening in another "big game" and tangle things up a bit. Should the Kakaakos beat the "Pals" the pot will boil the hotter.

Five of the eight teams in this year's Senior Loop are evenly matched with the University, Nuuanu "Y" and A. C. A. sextets dangerous at all times. The "Outriggers," although beaten twice, have had to play the strong Central "Y" and Palama squads and were merely nosed out at that. The Fire-eaters, although facing a .500 percentage now, are still very much in the race. So popular is

this year's "slamming tournament" that many have been turned away because of lack of room for spectators. A big "clock dial" keeping the score before players and rooters at all times, makes the matches the more interesting. The standings:
