

Outrigger Club To Hold Annual Outing Saturday

Next Saturday the Outrigger Canoe club will hold its annual members' day outing at the club grounds on the beach at Waikiki. The committees having in charge the various activities of the day have arranged interesting, instructive and pleasant events that assure the club members and their guests an afternoon and evening of varied amusement.

Each year the members' day gathering affords the unusual opportunity for the meeting and getting acquainted of the large membership. Games, chowder supper, radio concert, moving pictures and the moonlight dance in the club pavilion to the music of the Farden-Poepoe eight piece orchestra assures all members and friends an unusual time.
