

# ENTRY BLANKS OUT FOR MAY 30 SWIM PROGRAM

## Entries For Star-Bulletin Memorial Day Swims Close On May 28

The Star-Bulletin one mile swim for boys and men and the half mile swim for women is already attracting a great deal of swimming interest. Every afternoon noted long distance swimmers are seen pacing off the 16 long laps and more, in preparation for the Decoration Day morning attraction.

Last year 48 starters answered the gun when the Star-Bulletin played host to the largest entry in the annals of the long grind. This will be the fifth annual event and the number of new boys and men and especially women in the open competitions should attract a record number of swimmers.

One week is left for all registered athletes to forward their entries to The Star-Bulletin sports department. The official date for closing is May 28 at noon.

Outrigger, Hui Makani, Hui Nalu, Central and Nuuanu "Y," schools, the University of Hawaii and many unattached swimmers are expected to enter their performers in the mile swim.

Mildred Slaght, Lorena Hines, Barbara Nicoll, Beatrice Nicoll, Barbara Baril, Helen Smith, Jean Smith are probable entries in the half mile.
