

# EIGHT ENTRIES ARE FILED FOR HALF MILE SWIM

## Much Interest In Star-Bulletin Swim Program For Memorial Day

The sixth annual Star-Bulletin one mile swim for men and boys and the special half-mile for women is attracting a large number of entries from clubs, Y's and schools. The big swimfest and title races will be held at the natatorium Decoration Day at 10:30 a. m.

The women are more interested in the half-mile swim than any other group so far entered. Eight girls have filed their forms, and Mildred Slaght, last year junior national title holder, forwarded her entry blank for the 880 yards. Mildred will represent the Outrigger.

Samuel Zane, of Washington who finished the mile swim last year, forty-three minutes after the winner crossed the line, has again applied for the privilege of swimming with the boys in the one mile swim. Sammie will finish regardless of time.

Entries close May 28 at noon with Don Watson, Sports Editor, Star-Bulletin. No post entries will be accepted. Gold, silver and bronze Star-Bulletin A. A. medals will be awarded to the three place winners in each of the three scheduled races.
