

DANCE TO BE GIVEN TO MEET DEFICIT IN WATER CARNIVAL FUND

A dance is to be given at the Outrigger Canoe club on the night of July 3 under auspices of the Kamehameha Day water carnival committee to meet a deficit of \$117 in the carnival's balance.

Three orchestras will furnish music, and there will be special numbers between dances.

The original deficit was more than \$200, but the Royal Hawaiian hotel contributed \$100.

Another water carnival is to be held by the committee July 4.
