

OUTRIGGER CLUB TO VOTE ON CHARTER, CHANGE IN BYLAWS

At the annual meeting of the members of the Outrigger Canoe club, to be held Saturday on the club premises, members will be asked to vote upon an incorporation charter drawn up by R. A. Vitousek, and upon a revision of the bylaws.

At the present time the Outrigger club is not a legal entity, and cannot hold property such as real estate. The directors of the club are responsible personally for damage suits, defaults and assessments.

Among the proposed changes in the bylaws will be an increase in the number of members of the board of directors, and establishment of a new class of application for boys from 16 to 21 years of age, to be known as "student" membership.
