HONOLULU'S 1932 swimming program, tentative plans for which call for a series of six big meets leading up to the Olympic tryouts, will open in March, according to C. Dudley Pratt, president of the Hawaiian Association of the A. A. U. and chairman of the local swimming committee.

A meeting will be held at Cooke Hall, Central Y. M. C. A., at 7:30 o'clock Monday evening, February 15, when complete plans will be made. The swimming committee has drawn up a tentative program and invites all coaches and others interested in swimming to attend Monday's meeting, when this plan will be submitted for approval.

The proposal has been made that admission be charged but that all profits be placed in a fund to cover the expenses of swimmers sent to the Olympic trials. If this plan meets with the approval of the coaches and representatives of the various swimming organizations no medals will be awarded to winners in the meets. This would cut expenses down and leave more money for the Olympic fund.
