

ANNOUNCING *FAVORITES IV*

A compendium of HONOLULU Magazine readers'
preferences and picks

Like a teenage slasher movie whose sequels and prequels seem never ending, HONOLULU Magazine's Favorites Poll is here again, for the fourth time and certainly not the last. We've mixed up the categories a bit this year, adding some new ones and bringing back some old. So grab a pen, pencil or typewriter and speak your mind. Use the accompanying tear-off, postage-paid card. We'll tally the votes and publish the results in the May issue, which means we need the ballots by early March. Deadline, in fact, is **Monday, March 6**. And please, no photocopies. Originals only.

Incidentally, if you enjoy teenage slasher movies you can vote for Friday the 13th VIII, Halloween IX or Nightmare on Elm Street IV in the "Favorite Movie of All Time" category.
