

# The Shopping Center That Thinks Like A Merchant

Glenn Minami, owner  
Blue Hawaii Surf

"We were one of the first shops open at McCully in the summer of '87. This location has proven to be a winner for us. We've experienced consistent, healthy sales since day one!"

good bed," but not necessarily their maintenance. One story told within the family is of a couple who returned to the same room in the Reef for seven years. Always requested the same room. On their first visit, they noted a lamp shade in their room had a burn on one side. The second year, the burned shade was still there. On every subsequent return, the first thing they did when they checked into the room was to check the lamp shade to see if the burn was still there. It always was.

Another in-house maintenance story has it that when the Reef Hotel

How does W. David P. Carey III, president of Outrigger Hotels Hawaii, view the future?

"I think we either grow or die and it is hard to grow anymore in Waikiki. So we look to the neighbor islands. We are going to continue to grow on the Mainland where we find the right opportunities.

"We feel, in Hawaii, we understand the Asian and Down Under markets and will probably be looking in those
