WALTER JAMES MACFARLANE MEMORIAL RACES

"Out of Dreams and Dust Rise Men's Great Monuments"

The great canoe racing event of each year is the Walter J. Macfarlane Memorial Races held annually on July Fourth and sponsored and conducted by the Out-rigger Canoe Club. These races were named in honor of Walter "Mac" in commemoration of the great services he rendered to the Club.

Walter was born in 1907 and passed away on June 4, 1943, at which time he was president of the Club. A true son of Hawaii with partial Hawaiian blood, his was a history of participation in many sports and those of surf and sand particularly, for he loved Waikiki, the Club and its surfboard riding, canoeing and swimming. It is most fitting that we honor him with these races.

Walter's great contribution to the Club was his indomitable purpose in erecting from the old, run-down Club a new, modern, pleasant Club at Waikiki of which all members might be proud. The task seemed insurmountable. Funds were nonexistent, the lease was due to lapse, doubters scoffed at the possibility - but Walter "Mac" and a small group went to work-resulting in the present Club.

Fortunately, Walter lived to see the dream come true-a monument to good health, good fellowship and recreation-all made possible by a few dreamers who knew that dreams come true by work and sweat and purpose.....
