Rangers and Outriggers Winners by Narrow Margins in Saturday Games

CLOSE PLAY—SPORTS . . . E (ff .

The Rangers defeated the Healani at soccer Saturday afternoon in a closely played game, the final score being 2 to 0. The scoring was done in the second period, the first having ended with a double 0 score. The Healani team was short by several of the regular players.

In the second game played yesterday Schofield went up against the Outriggers and lost out by a 2 to 1 score, after one of the most stubborn and hard-fought games staged this season. The Canoemen took the lead just before the close of the first period, Ross playing a prominent part. Half-way through the second period they added their second goal to the total. Schofield scored in this period when a player lying unmarked put the ball across.

For the winners Paty in goal did good work clearing and Bailey distinguished himself at back. The Schofield field defense was good, save at the goal, the halves and forwards having put up a strong fight.

Followin are the club standings as compiled by James Dunbar:
