

Outrigger Grid Team To Be Given Luau By Members

The Outrigger Canoe Club will have a Hawaiian luau this Friday evening at its pavilion for the members of the football squad. The club will at this time award the players gold footballs and sweaters.

The committee in charge of the eats promises the boys a hearty good luau and a big time. The directors of the club are expected to be on hand, and many will be called upon to speak. The affair is expected to bring the members of the club together, especially the football talent, and the possibilities of entering a team next year will be discussed.
