

# A. A. U. Dance Tomorrow Not Saturday Eve

---

The A. A. U. dance planned for the purpose of raising funds with which to send Milton Beamer and his coach to the mainland to compete in the National Track championships this year will be given at the Outrigger Canoe club tomorrow evening, and not Saturday as announced in the Sunday Advertiser.

Charles Paddock, mainland track star who competed in the recent A. A. U. meet, will leave Wednesday for the mainland, and it is desired to have the dance on the evening before his departure, in order that his many friends may have an opportunity of seeing him.

Miss Mary Miles Minter will present the medals to the winners of the events in the A. A. U. track and field meet during the evening.

This is the first of a series of dances planned for the purpose of sending Beamer to the coast. Dude Miller's orchestra will furnish the music for the occasion.
