

CARTER HAS ABILITY AT VARIOUS STROKES

A. D. Carter, former Outrigger Canoe club swimmer, who was recently elected captain of the University of California swimming team, is an all around performer in the water and coming forward rapidly.

In the dual meet with Stanford, which the Cardinals won 40 to 28 on April 15, Carter was second in the century backstroke, third in the 50 yards free style and swam second on the relay team.
