A. A. U. Committee Meets Today For Final Confab On Details Of Big Harbor Swimming Card

Program for Three-Night Session Looks Full of Promise With Weissmuller, the Kealohas and Harris the Dominant Stars; Hui Makani Has Most Entries

440 Yard Men's Open Best Event On Opening Program

WHAT promises to be one of the greatest swimming meets ever held in Hawaii will start on Thursday evening of this week in the Naval slip between piers 5 and 6. The Aloha meet is the first for some years that has been of a caliber to warrant making it into a three-night affair. However, the Thursday, Friday and Saturday night programs outlined for this week are replete with events which are sure to make swimming fans think they are again back in "the good old days" with Duke and Ludy and the rest of the men who have gone to make swimming history in the local harbor.

There will be a meeting of the board of managers of the Hawaiian association of the A.A.U., which is also the games committee of the Aloha meet, at the Y.M.C.A. today noon, at which time all final details in preparation for opening of the harbor meet will be disposed of. Among the matters to be taken up at this time is the final selection of officials; selection of events in which trials are to be held on Thursday night; acceptance of National championship entries; decisions regarding time schedules, and numerous other details involved in the holding of a swimming meet on such a large scale and about which the average fan never thinks.

The program for the opening night of the meet has as its main feature the 440-yard men's open event, which will beyond question be one of the high points of the entire three nights. Other promising Thursday features are the 220-yard women's open, the 50-yard men's novice with 23 entries, trials for men's diving, trials for diving for boys under 15, and a number of other trial events, the finals of which will be decided on Friday or Saturday nights.

The games committee which meets today at the Y.M.C.A. for a final word on arrangements is composed of the following: George "Dad" Center, chairman; E. Fullard-Leo, secretary-treasurer; D. L. Conkling, W. Saffrey, E. C. Coble, William Rawlins, W. W. Harris, C. Chang, A. Guerrero, Mel Nichol, R. Borden, O. P. Soares and O. Klum.

Two Hot Games Played In The Wilson League

Two good ball games were played yesterday in the Wilson league circuit, the U. S. Marines and the Oahu Athletic club being the winners. The Marines defeated Palama by a 9 to 7 score in a battle that was filled with thrills from start to finish. Taking the lead in the first session the Devil Dogs held and increased it steadily up to the seventh inning. With the count 9 to 1 against them the Pals started a seventh inning rally and for a time it looked as though they would be able to stage a real comeback. They were finally retired with five runs to their credit. They added another in the eighth but were unable to overcome the lead piled up by the Marines during the early stages of the game.

In the Oahu-Mid-Pacific game the final score was 10 to 7. This battle was won in the sixth inning by the Oahus when they put six runs across the plate. Tai Leong of the Mid-Pacifics was the individual hero of the game so far as hitting was concerned, accounting for a home run and a three basehit. Ornellas of the Oahus also landed for a homer.
