

440 HAWAIIAN OPEN WILL HEAD PROGRAM IN HARBOR EVENT

Trials for Several Service Events are Scheduled for Tonight; Defenders Slow in Entering; Post Entries to be Taken for Service Relays; Extra Timers are Wanted

BEFORE somebody beats us to it we wish to proclaim to the world that the Clarion Call Has Sounded, and that They're Off! If you have seen these lines before they mean that the Aloha swimming meet is officially on tonight. Fourteen races are on the program, including that far famed 440 Hawaiian championship in which Johnny Weismuller will swim and try for a half dozen records. Twelve timers, in addition to the regular nine, will clock Johnny and the local entry who finishes first. As the extra 12 timers have not been selected, all the coaches and trainers and anybody else who has a stop watch are requested to come on hand to render their services.

P. H. A. C. Yans Beat Regulars By 4-2 Score

The P. H. A. C. teams were seen for the first time in action when the Yannigans mixed it with the Regs in a fast nine-inning game. The Yannigans emerged victorious after hammering out four runs in their half of the eighth inning, the score being 4 to 2.

The score was deadlocked till the seventh, in which inning the Regulars drew first blood. Delmore pasted a hot one to center to score Bailey who got on by virtue of an error. Again in the ninth he scored Waylock with a single after he (Waylock) had doubled to deep left.

After one had been retired in the eighth, Rairden and Ellenberg singled in order, Cloud picked up

There will be no reserved seats tonight, so go early and form to the right.
