

BASKETBALL TOUR

MAY INCLUDE B. C.

The coming tour of the Outrigger Canoe club basketball team, champions of Hawaii, may also include British Columbia, Canada.

This announcement was made recently by Piercy H. Nottage, officially delegated by the Hawaiian A. A. U. to look after basketball interests in the territory. Nottage got in touch with Captain Billy Marquat of Fort Komehameha, who hails from Seattle. During his days as a student at the University of Washington, Captain Marquat took a basketball team from Seattle on a Canadian tour and the team had a wonderful time. The Canadians are strong for basketball and have some high class teams, reports Captain Marquat.

He has offered to assist Nottage in lining up games in British Columbia to extend the Pacific coast tour of the surfers in January and February of next year.
