

# doc's dope

by "Doc" Adams

There'll be no card playing at the Outrigger club—maybe. The club aims to develop swimmers and canoers and not expert melderers of 1000 aces or grand slam scientists.

Rather unkind we'd call it. A lot of people don't care for swimming or canoeing. And then in canoeing it always seems that some smart worker gets to steer while us less capable yokels have to do the paddling.
