

# DAN MOONEY IS AGAIN OUTRIGGER PRESIDENT

The first meeting of the new board of directors of the Outrigger Canoe club was held last evening and the main business of the session was the election of officers.

Dan E. Mooney, popular president of last year, was reelected to serve for the new year. C. C. James was chosen vice president. The other officers were reelected. P. G. H. Deverill was made treasurer. Alan Podmore is secretary again. S. M. Starrett is chairman of the house committee and H. A. Asch is head of the order and entertainment committee once more.

George (Dad) Center was reelected captain of the club and will again represent the beach club on the Hawaiian A. A. U. board of managers. This means that his reelection as president of the Hawaiian A. A. U. is assured since he was prevailed upon to represent the Outrigger at the local A. A. U.
