

# FOUR TEAMS SURE FOR SOCCER RING

## Meeting Will Be Held To- night to Make Prepara- tion for the Season

There appears to be every indication that at least four teams will make up the Honolulu Soccer association this season. The Rangers and Outriggers have already signified their intention of entering teams. Schofield has accepted on certain condition, and the Honolulu United, a new team, is a probable entry.

The organization meeting will be held tonight in the British club rooms, commencing at 8 o'clock. Fred Harrison, president of the association, has called the session.

It is expected to be quite a warm session, and a number of resignations and new elections are expected.
