

STAR-BULLETIN CUP IS WON BY MISS WEHSELAU

Outrigger Club Girl Star Is Easy First in Splash From Public Baths Surf

With a neat, rolling stroke, Mariechen Wehselay, star girl swimmer of the Outrigger Canoe club yesterday morning won the outdoor open water half-mile swim for girls from the Public Baths to the Outrigger Canoe club diving stand. She also won The Star-Bulletin trophy. Her time was 15.23.1.

She had been expected to win, but second place was a surprise when Connie Davis came in ahead of the rest about 25 yards behind Miss Wehselay. While Connie has been regarded as a good swimmer, it was figured that Lillie Bowmer would take second place. Connie won by more than 20 yards. Dorothy Waters came fourth and Christine Smoot was in fifth. Helen Ellis was also entered in the event, but did not finish.

Good Start

The start of the race was perfect. Starter Smith got the girls away as one. Mariechen hit up a good clip for the first 50 yards, just as if she was swimming the century, and then, having secured her lead, she came down to an easy lope that carried her in first.

Presentation of The Star-Bulletin cup to the winner of the race took place on the sand in front of the Outrigger Canoe club. Riley H. Allen, editor, presented the silver mug to Miss Wehselay, who expressed her delight over the new trophy in no uncertain terms.

The cup for the boys' race was presented by Dawkins, Benny Co. The cup for the men's race was presented by Wall & Dougherty and the club is to present a suitable prize to the winner of the veterans' race.
