

SOCCER PROGRAM ON TENTATIVELY FOR CAPETOWN

Three Games Billed But It Awaits Approval of Boys On Ship Due Tomorrow

The Honolulu Soccer association held a special meeting last night following a general meeting the night before and arranged a tentative program for the entertainment of the soccer teams on the British cruiser Capetown, due in port tomorrow from Hilo.

There is a doubleheader down for Saturday afternoon, December 23, at Makiki field. The Outriggers play one team at 2:30 p. m. and the Rangers meet another team at 3:45 p. m. On December 30 the Honolulu Uniteds will meet a Capetown team.

Open in January

The league this year will open its season on January 9 and will have four teams. The Honolulu Uniteds were shy of players for a time, but the Schofield team having dropped out, its players will turn out for the Honolulu Uniteds.

The Palamas are not ready to meet any team from the Capetown yet owing to the fact that its men are not experienced enough to go up against such strong outfit.
