SOCCER CIRCUIT IN MUDDLE WITH TWO TEAMS LEFT

Playoff and Then a Series With Players Divided is Suggested By Authorities

The Honolulu Soccer association is officially opening its season this afternoon at 3 o'clock with a game between the Rangers and Outriggers at Makiki field, but whether the season schedule will be carried out is a big question.

The Honolulu Uniteds have withdrawn and Jack Rosemond has not been able to raise a team to replace it. The Palama team is considered too weak to make a strong showing, leaving only the Rangers and Outriggers to battle it out.

A Suggestion

Some of the soccer authorities have suggested that the Rangers and Outriggers battle it out in a three-game series for the title and then the names of some 80 available players be pooled and drawn out on four teams for a round robin series with perhaps a silver cup put up for the title or maybe individual medals.

The matter will probably go before a meeting for final judgment some time next week.
