BILL HARRIS IS WINNER IN RACE WITH HANDICAPS

Brief Postcard Comes From Outrigger Swimmers Now Touring the Antipodes

W. W. ("Wild Bill") Harris of the Outrigger Canoe club, who is now making a swimming tour of Australia, reports by a brief postcard that he won his first race in the tour on December 21.

The message on the postcard, dated December 22, reads as follows:

"Won my first race yesterday, 66 2/3 yards. Was handicapped 12 seconds. Won in :34. Great place. Handicaps terrible. Will write soon.

"BILL."

The postcard is a picture of St. John's station, Wanganui. His promise to write soon means that there will be a sheaf of clippings from him on the next boat.
