SERVICE MEET SERVES

Swim Game Gets New Blood

THE Washington swimming meet has developed at least three new swimmers who show class. Three on the army and navy roster would do credit to any one of the four Honolulu clubs.

Lieut. C. E. Hunt of the U. S. S. R-19, won the 50 yards in 26 4-5 seconds. We don't know what time he can do in the century, but he will probably swim "anchor man" on the navy team in the relay for officers tonight. We might almost predict that with Hunt and Lieut. Com. Reifsnider of the U. S. S. Chicago, the navy officers will win. Hunt could take a position on any relay team. Twenty-six seconds is still considered good time for the short distance.

Olson a Comer

Olson of Schofield is a wonder, when you consider the short time he has been training. If Olson keeps working, it is possible that he will make a showing in the next A. A. U. events. He lowered the service record for the furlong on Thursday night, keeping up a fast pace throughout the race and sprinting his finish. In the 100-yard trials yesterday afternoon he made the fastest time in three heats—1:03 1-5. Of course, he would have to shave a big slice off his time to come into the record-breaking class, but he is young and seems to have made an excellent start. His form in the water is not yet good, and it is remarkable strength which enables him to make the time he does. With an improvement in his stroke, experts can readily predict some lowering of his present marks.

H. A. Anderson showed good breast stroke form in Thursday night's events. He took a wide lead at the start and finished in well sustained style. Nor is the breast stroke the easiest of races. It offers more different ways of being disqualified than any other style and "Andy" of Schofield deserves credit.

Olson Wins His Heat

In the 100-yard trials held at pier 5 yesterday afternoon, Olson won the first heat in 1:03 1-5, with Murphy second and Clarkin third. In the second heat, Regglebrugge took first place, with La Vigne second and Wormer third. Time, 1:07. Lieut. Call of Shafter won the third heat in 1:11 flat, with Underwood second and Warren third.

An exciting game of water polo was played between the Outrigger club team and the Hui Nalu, with a final score of 6 to 2 in favor of Dad Center's club. This makes the second victory for the Outrigger club in this sport.

Mile for Women

The meet tonight commences promptly at 7:30, with the one-mile free style for women. The world record for the distance is held by Fanny Durack of Australia—incidentally the last record of any note that Miss Durack made—of 26:08. The American record is held by Helen Wainwright of New York, who made the distance in 26:44 2-5.

Helen Moses is scheduled to win the event for the Outrigger club, although she will have such competitors as Constance Davis, Rose Ruegg and Dorothy Waters.

The 100 yards for women, scheduled to take place at 8:25, will be one of the most exciting on the program. Mariechen Wehselau, world champion, will swim against Lillie Bowmer, a close competitor; Janice Lovett, fast moving into the ranks of the champions, and other swimmers of note.

NEW RECORDS

(By the Associated Press)

NEW HAVEN, Feb. 23.—Two inter-collegiate swimming records were broken tonight when Yale's swimming team defeated Rutgers 45 to 26 in a dual meet. Leo Giebel of Rutgers did the 440 yards free style in the 25-yard pool in 5 minutes, 58 1-5 seconds.
