# FIGURE SIX FOR VOLLEYBALL SET

## Meeting Next Week to Organize; Columbus Welfare Expected in

The Hawaiian A. A. U. Volleyball league is getting ready for its season, which will probably open late this month or early in April. Wallace Saffery, chairman of the volleyball committee, is already at work lining up prospective teams.

Last year the league opened with five teams and finished with four. Six teams are expected to enter this season, the new team being the Columbus Welfare club. The Y. M. C. A. or Ad club will enter a team in place of the combined team from these two that was entered last year.

The others expected to come in are the Outrigger Canoe club, Palama Settlement, Kaimuki Athletic club and All-Around Chinese Athletic club.
