ISLAND MARK IN FIFTY BACK SET BY BOWMER GIRL

Thurston Meet Carried Off By Fast Outrigger Star Wtih Total of 4 Firsts

With four firsts, one tie for first and one fourth, Lillie Bowmer leads the field in the senior academy open class of the Thurston swimming meet held yesterday at Punahou. Incidentally her time in the 50 yards backstroke was better than her own island tank mark of :36.4 by one and three-fifths seconds.

The system used at the meet gives the winner of an event one point, second two points, third three points and so on. Any person failing to enter an event comes at the end of the list of entries as far as points are concerned and thus loses all chance of figuring for first or second place in the entire class.

Her Work

Lillie took first in the 50, 100, 220 and 50 backstroke, tied for first in the dive and placed fourth in the plunge. Her nearest opponent, Helen Moses, took second in the first three, third in the backstroke, tied in the dive with Lillie and took first in the plunge. This counting gives Lillie a total of nine and one-half points as against eleven ande one-half for Helen. The meet goes to Lillie by two points unless something unforeseen crops up.

Yesterday's results follow:

Results

Senior academy 50 yards backstroke open—L. Bowmer, D. Waters and H. Moses. Time, :35.1.
