DEANS HANG UP HIGH SCORES IN GALLERY SHOOT

Francis Bowers High Man in Competition Against the Northwestern University

The scores made by the University of Hawaii gallery rifle team in the match with Northwestern University have been forwarded for comparison with those of the mainland institution. Hawaii's score was 3153 out of a possible 4000. It is likely that Northwestern will have a larger score than this.

Francis Bowers was high man on the Varsity shooting squad and he made 352 out of a possible 500. Alexander Cornelison was next with 342, and Alfred Bell was third high man with 329.

Certified

This rifle match was arranged for some time ago. Northwestern was the challenger, and was accepted. Rules governing the contest were those usual to a gallery match. Twenty-two caliber rifles were used at 50 feet, with standard N. R. A. targets. Each of the 10 men on the team fired at prone, sitting, kneeling and standing. The scores are certified by a commissioned officer and sent to the rival school.

BILL HARRIS CABLES HE IS BENEDICT NOW

Cryptic Paragraphs in His Letter to Center Clear Now That Cable Has Come

Luther Hough Received It This Morning; Bill Will Go to Philippines Now

By MIKE JAY

W. W. "Wild Bill" Harris, Outrigger Canoe club swimmer who has been touring the antipodes, was married yesterday to an Australian girl in Sydney, Australia, according to a cablegram received this morning by Luther Hough of Honolulu. Harris has been in the south since November touring New Zealand and Australia, during the course of which he has broken many records there and annexed many championships. He is not returning to Honolulu at once but will take his bride to the Philippines where his father and mother are residing.

The message, which Hough received this morning from Sydney, was as follows:

"Married an Australian. Going to Philippines. Bill."

Explains Much

That was all but it explained why Harris, who is a pretty regular letter writer when touring, has not been writing much during the past few months. Some time ago, George "Dad" Center of the Outrigger Canoe club got a letter and in it were a number of paragraphs that are now explained.

One of these paragraphs told Center that Harris was undergoing a great experience and that when "Dad" heard about it he would laugh. Center being a dyed-in-the-wool bachelor will certainly laugh to learn that Bill has been a victim of Cupid.

May Not Return

It is possible that Harris may not return to Honolulu. His folks are in Manila and he may decide to reside there in the future. Luther Hough gathered that from the tone of the cablegram but it may be that Harris is only going on through Manila in order that his folks may see his bride.

Bill Harris' chief claim to fame is the fact that he finished third in the 100 meters in the Olympic games at Antwerp, Duke Kahanamoku and Pua Kealoha finishing first and second respectively. Bill has never held any world records but has always been up close to the top notch men. He was born on Maui and is regarded as the star of the Outrigger Canoe club brood of swimmers.
