Kahanamokus To Star In Women's Swims At Punahou During Week

Four of the Famous Family Will Be Out for Honors When Outrigger Women's Aquatic Meet Is Staged

FOUR Kahanamokus—Kapiolani, Sam, Sargent and William—are starring as entrants in the fifth annual Hawaiian swimming meet to take place Thursday, Friday and Saturday nights of next week at the Elizabeth Waterhouse Memorial swimming tank at Punahou.

That is one bit of very interesting information, for we don't remember when there have been so many entries from the swimming family before.

That 167 entries have already been received at the office of the A.A.U. with Service, Unattached and Public Schools still to be computed is also an interesting event. The final total will surely near the 200 mark.

Hawaiian and possibly world tank records will possibly go. That, of course, is the usual speculation over any swimming meet, however, but there is no dispute over the fact that there is record breaking material in the list of entrants.

The 50 yards women's open event, Hawaiian record held by Mariechen Wehselau in 28 4-5 seconds, will be more interesting for the fact that her closest competitor, Lillie Bowmer, is "coming up" fast.

What Pua Kealoha will do in the 100 yards open for men is unknown. Pua used to swim close to Duke, but it is not probable that he will better the present Hawaiian mark of 62 2-5 held by Johnny Weismuller.

The 100-yard women's open event will be viewed with marked interest. Mariechen holds the Hawaiian record of 1:05—made last year, although in the last harbor meet, Lillie Bowmer (Mariechen was not swimming) made the distance in 1:03 3-5, the world record being 1.03 flat.

Maui is said to be sending a couple of dark horses along with Rosalie Abreu. Their names are Louise Dubois and Patsy Laugher and they will probably be entered in both the 50 and century events.

Following is the list of entries:

Pacheco to make over a dozen acres of ground in the ewa end of Kapiolani park into baseball diamonds, according to announcements yesterday. An appropriation is to be made from the general fund to pay for the loam needed.

Erection of a number of building at Punahou will mean excavation and the loam so obtained will be purchased by the city and used for the proposed baseball sites, it is planned.

ALL THERE

Fred Coumbe did more than pitch the Salt Lake team a victory on April 21. He not only drove in runs with timely hitting, but his fancy fielding pulled him out of tight places. His fielding record for the game was three putouts and five assists.

FARMS TONY

The Salt Lake club has sent Tony Lazzari to the Peoria Three-I club. He joined the Bees last season but still needs seasoning and it is figured by Duffy Lewis that a year of work in Class B will make him fit to star in the Coast League.

TUCKER OUT

The New York Americans decided not to keep Outfielder Ollie Tucker and he has been returned to the New Orleans Pelicans.

CANS SPALDING

The name of Al Spalding is no longer on the big league rolls, for the Cleveland club has given the youngster with the famous name his unconditional release.

Andy (Kid) Palmer defeated Pat Bradley, eight rounds at Philadelphia, Pa., April 19th.

Mike Schultz knocked out Charlie Baum, sixth round at Philadelphia, Pa., April 19th.
