World's Record Set in the 100 Yards By Mariechen Wehselau

Popular Outrigger Mermaid Swims Distance in Remarkable Time of 1:03 Flat; Swanzy Cup Goes to Lillie Bowmer

ANOTHER world's swimming record went crashing into history last night when Mariechen Wehselau of the Outrigger Canoe club swam the 100 yards women's open in 1.03 flat, clipping just 4-5 of a second from the former mark made by Bleibtrey at Brighton Beach in 1921 in the same size pool—75 feet. Mariechen was off with the gun and sprinted the entire four laps, for all that was in her. She was a full yard ahead of her nearest rival, Lillie Bowmer, at the finish. Until the third turn they were swimming practically even.

This was not the only mark to fall on the final night of the fifth annual women's Hawaiian swimming event. In the final race of the evening the Outrigger Women's club relay No. 1 team established a new American record for 200 yards with a mark of 1.58 and 2-5. The old mark was 2.01 2-5, established by the same team in July, 1921. Those who swam last night were Ruth Scudder, Helen Moses, Lillie Bowmer and Mariechen Wehselau in the order named.

New Service Mark

A new service record was set up in the 100 yard free style by Olson of Schofield. His time was :59 4-5 seconds, the old mark being 1.02 3-5 made by George Kane in 1921.

Another new mark was set in the 50 yards for girls under 15, by Rosalie Abreu of Maui. She swam the distance in 31 1-5 seconds, the former mark being 32 4-5 seconds made last year by J. Lovett.

Two marks were established for the first time in the 50 yards service backstroke and in the 25 yards boys under 15.

It was noticeable during the three nights of swimming that the men swimmers other than the service failed the make exceptional time in any of the events. Last night's breaststroke and backstroke events while exciting were swum in slow time, the record holders, incidently swimming in each of the respective events.

Lillie Gets Cup

First honors of the meet went to Lillie Bowmer who was awarded the Swanzy Cup with a total of 17 points. The Schofield team carried off the Davies Cup for the highest number of service points. It was announced during the meet that the women's auxiliary of the Outrigger would award a cup to the Navy swimmers in appreciation of their cooperation and showing in the meet.

Despite the inclement weather, a fair crowd was on hand to witness the races. The credit cannot be given to the officials for the manner in which the program was run off last night. At the conclusion it was found that the program had carried well ahead of the schedule.

Knute Cottrell, official starter at the meet and a pronounced veteran of many similar events announced that it was his final appearance in an official capacity at future swimming meets of Hawaii, for which he said, would force him to refrain from active participation in the future.

The Summaries

Summaries of last night's events follow:

100 yards service won by Olson, Schofield; second, Hunt, Pearl Harbor; third, Kane, Pearl Harbor. Time—:59 4-5. (New record.)

100 yards women's open—Won by Mariechen Wehselau, Outrigger; second, Lillie Bowmer, Outrigger; third, Helen Moses, Outrigger. Time—1:03 flat. (World's record.)

Umpire: Brega.

Scorer: Milne.

Time of game: 1 hour 55 minutes.

No Harbor Game

There was no baseball in the Harbor League yesterday and no game will be played today, the Sunday game having been moved up to last Friday.

Higgins, catcher for the 92nd Marines, team who received a deep wound from the spikes of Harder in their collision at the plate in the fifth inning of Friday's game, is reported having five stitches taken in his forehead. He is c. k. now and able to get about.
